**Christmas Party**

I will take a moment to say **THANK YOU** to everyone who contributed to the huge success our potluck extravaganza. In three words, **more than enough**, more than enough food, more than enough door prizes and more than enough good times. Again, Thank You All. **Rick Stifle**

**Steering Committee**

The **Program Committee** and **Steering Committee** meets on the Tuesday after the club regular meeting at the Whittier Senior Center at 13225 Walnut Ave. Starts at 6:30pm and 7:00pm and is over at 8:00pm. The next meeting is Tuesday, January 18th.

**JOE CARILLO**

**This an ongoing action and must be addressed by the membership or the club will have to make changes to the toy production program**

The Woodworkers Of Whittier need some volunteers to retire **Joe Carrillo** from his block painting duties. A total of three members are needed. Time of work is Wednesdays, 1:00pm to 3:00pm, April to November. Two hours a week is not that much and is important to our biggest toy output. A lead and two associates to move, paint and store

the blocks are what we need. Joe will train these volunteers and continue to work at Hathaway Ranch block production.

## **BOY'S and GIRL'S CLUB and ADVENTURE PARK CHRISTMAS PARTIES ORNAMENT DECORATING**

A total of 375 ornaments were decorated by a diverse group of attendees including children, teens and a lot of adults. A total of 148 at B&G club and 227 at Adventure Park ornaments were decorated..

The breakdown follows: angels 32, reindeer 37, bells 40, stockings 82, stars 91 and trees 93. It should be noted that we ran out angels and reindeer at both parties.

A Special Thank You to the ornament makers; **Harold Ehlers, Mike Scott, Pat Turner, and Tony Walker.** And A Special Thank You to the booth workers; **Ronald Anderson, Ron Holtz, Jim Lockwood, John Rodgers, Tony Walker, and Alan Webster.**

**Lindsey Fisher, Party Chairman**

## **CLUB SHOW 'N TELL**

Everyone is encouraged to bring a project for show and tell. It isn't bragging if it is fact. Lets continue with quantity and quality of Show and Tells.

## **Wood Dealer List**

This is an older idea and met with some success, so lets do it again.

Do you use wood? Hard, soft, lumber grade, ply or medium density fiberboard (MDF). Let's put a list of favorite dealers together and make copies for all members. Put your dealer's name, address and phone number on a piece of paper and give it to any club officer.
