MEETING NOTES

The July meeting of Woodworkers of Whittier will commence on the 14th of the month at 6:30 PM. The meeting will be at Adventure Park, 11030 Gunn Avenue in Whittier. At this months meeting we are going to have wood shop safety meeting. Be there! Be safe

THANK YOU

At this time we want to express our sincere appreciation for the great professional work that one of our members, Ted Taylor, performed by dismantling and restoring not 1 but 2 Shopsmith sanders and also assembling a complete new vacuum exhaust system for the 4 sanding machines at the Hathaway Ranch. This took many hours, even days to complete not to mention expense. **THANKS AGAIN, TED!**

Committee Meeting

Every Tuesday following the regular Thursday club meeting we meet at 13225 Walnut Street in Uptown Whittier at 7:00 P.M. and usually lasts less than an hour. This is where all the discussion and planning for the meetings comes from. We welcome everyone and really do need your input and ideas.

CLUB SHOW 'N TELL

Everyone is encouraged to bring show and tell projects. This is an excellent opportunity to let everyone know what's been going on in your shop and give great tips and suggestions for their own projects. It isn't bragging if it fact.

DISCUSSIONS

We will be discussing several items at this meeting.

We will be talking about demonstrating at the Costa Mesa Woodworking show. Members will get free entry to the show the day they are demonstrating

Also under discussion will be a 50/50 raffle at each meeting.

WOW and Adventure Park will be sponsoring a spaghetti dinner to raise funds for the park shelves project

EMAIL

Email Pushstick Subscription

WOW members can now choose to receive their monthly Pushstick newsletter via email delivery. You can be assured of the earliest delivery every month and save your club money too. Think about this - a 1st class stamp is \$.37, soon to be \$.39, plus the cost of printing, an envelope, and address labels, easily adds up to \$.42 per month. At that rate, \$5.00 of our annual dues goes just to mailing our newsletter. That 33% of our dues could better be used for our toy and block programs and other community service projects. Postage is our single biggest club expense each year. But we can email the newsletter for free. Email subscribers will also get timely messages with other club news or events that cannot wait for the regular newsletter. What you will not get is spam or jokes. Your email address will not be shared outside the club.

Here is how to subscribe - send an email to pushstick@woodworkersofwhittier.org asking to subscribe. That's it! The newsletter will come as an attachment in Adobe Acrobat PDF format. For more details and a link to get the free Acrobat Reader, visit our new club website at www.woodworkersofwhittier.org and click on the Newsletter link.

LIBRARIAN

We're still looking for assistance as club librarian. Anyone interested in overseeing the WOW library? Andy needs some help. Let Me or Andy know.

Meeting Room

We need to practice good housekeeping at our meeting room. We are very fortunate to have such a nice facility and we need to take care of it. Please make sure we throw all our trash away and leave the room at least as clean as we found it. Thanks for your help in this matter.

That's all folks. See you at the next meeting. Play safe out there.

Yours Truly,
John Rodgers

Thank you Harold and Julie.
