MEETING NOTES

The July Meeting will be on the 13th, 6:30 pm at Adventure Park, 10130 Gunn Avenue. The July meeting will feature our own **John Rodgers** demonstrating **router made box joints** on the **Woodline USA Spacer Fence System**. Club members requested the demonstration after seeing the system in action at the open shop.

CLUB SHOW ‘N TELL

Everyone is encouraged to bring a project for show and tell. It isn’t bragging if it is fact. Be prepared to tell us the wood, finish and special techniques used in the construction

ANNOUNCEMENTS

Hathaway Ranch Museum, 11901 Florence Ave. Santa Fe Springs is the site of the club’s sanding workshop, Mondays, 9:00 am to 12:00 noon and additional volunteers are needed. This is a real easy way for members to take part in the Christmas Toy Project. Any club members with free time on Mondays are necessary and welcome. This activity may become a rotating teams project. **Please Note! If the gate is closed you must close it after entry!**

All members are reminded that toy making is the

main focus of the club.

Toy Block Painting at the senior center is also in need of additional help on Wednesdays, 12:45 pm to 4:00 pm. Whittier Senior Center, 13225 Walnut St. They really need help moving the blocks from storage to the craft room and back. **All members are reminded that toy making is the main focus of the club.**

Ron Anderson will host the second **Open Shop** July 22nd. Time will be 9:00 am to 11:00 am and the address is 14343 Cerecita Dr. Whittier. **Open Shop** allows club members to share their **skills, techniques and knowledge** with other club members. Visitors are requested to bring **safety glasses and hearing protection**. It is hoped this will become a permanent activity and an addition to our **Show and Tell**.

Steering Committee Actions

Adventure Park and the Boys and Girls club have asked WOW to make cubbies for backpack storage at each of their facilities. **Ron Holtz** will investigate the requirements of both, determine if existing plans or new plans will meet their combined needs. Ron will report his findings at the July Steering Committee meeting.

Ron Holtz submitted a request for reimbursement for materials for the Adventure Park bookshelves that were delivered June 8th. The total request was for \$370.00 and receipts were presented. Motion was made, seconded and approved for payment.

The bookcase account has \$165.00 remaining. The money was raised by a spaghetti dinner and raffle at Adventure Park and was supplemented by an anonymous donation. This money will probably be used for the Adventure Park cubbies if the project is approved by the Membership.

In response to **Jim Lockwood's** query about club member discounts at local merchants, **John Rodgers** said he would look into the possibility of printing membership cards. He also stated he had received discounts at Rockler and Woodcraft stores by simply asking after stating he was a member of WOW.

John Rodgers thanked **Ron Anderson** for the drill press demonstration and commented on decreased attendance. **Andy Stanton** stated he has kept a running count of attendance for five years and it has always decreased in the summer beginning with June.

Steering Committee

The Steering Committee meets on the Tuesday following our regular club meeting at the Whittier Senior Center, 13225 Walnut Street in the Whittier Civic Center. The next meeting is **July 18** at 7:00 pm and is over at 8:00 pm.

I am pleased with the increased attendance at the Steering Committee Meeting. All members are encouraged to take part in the **planning** and **business decisions** of the club.

July meeting date is July 13.

That is all, folks. See you at the next meeting.

If You do not have an Accident Prevention Plan, You do have An Accident Plan

Yours truly,
John Rodgers

Thank you Harold and Julie.

Yard sale. Local toy makers widow is planning a yard sale. Items include materials for cars, trucks, trains and puzzles. Plans for scroll projects and others. Some wood in various sizes. The dates have not been set
