MEETING NOTES

The October Meeting will be on the 12th, 6:30 pm at Adventure Park, 10130 Gunn Avenue. Our speaker, **Monte Koch**, a Registered Corrosion Engineer will talk on finishing woodwork. Most finishers say finishing will make an average woodworking project an excellent one.

Monte's professional duties included education and training of professional finishers and refinishers in commercial furniture and cabinet shops in the proper use of abrasives, sealers and finishes. Several of our WOW members requested that the club should take advantage of his expertise.

CLUB SHOW 'N TELL

Everyone is encouraged to bring a project for show and tell. It isn't bragging if it is fact. Be prepared to tell us the wood, finish and special techniques used in the construction.
