“Wizardry in Woodworking”

As announced at our last meeting, President Don Prince has made arrangements with the Whittier Library to host an exhibit of toys and other items made by members of the Woodworkers of Whittier.

The exhibit called “Wizardry in Woodworking” will run the Month of May, 1st thru May, 31st. The exhibit will be at Whittier Main Library located at 7344 S. Washington Ave.

This is a great opportunity for us to display our wonderful toys, bowls and other projects that members build.

If you would like to participate, please bring one or more of your favorite projects to the meeting. Dave Reid is coordinating this project. Please put you name in pencil on the bottom of your project or use a post-it note(available at the meeting).

All items on display will have the maker’s name and city of residence
