Wood Toy & Block Coordinator

Joe Carrillo (562) 696-7446

Pushstick Publisher

John Rodgers (562) 693-5762

MEETING NOTES

The August Meeting will be on Thursday, August 11, 6:30 pm at Adventure Park, 10130 Gunn Ave.

Report to WOW from Cub Day Camp Staff.

Cub Day Camp Staff will report on their activities and wood kits provided by WOW members.

Deft Finishes will present an overview

of their products, services and their company history. Deft is family owned and operated.

Dave Reid and Alan Schwartz have arranged to paint the cradle bodies.

Well done, gentlemen, and we thank you!!

WOW will be ordering wheels and axles for the November meeting. There will be a sign up sheet at this meeting for you to tell us how many wheels and axles you need.

Axle holes need to be drilled with **7/32 bit**. **1/4 bits** are too large.

Program planning for the rest of the year is set. September, *Trend Manor Cabinetry*; October, *Harold Greene Furniture Craftsman*; November, *Wheels and Axles*; December, *Christmas Pot Luck Party*.

Members Helping Members

One of the purposes and benefits of membership in WOW is Members Helping Members. **It is a feature that is not used as much as we could.** In an effort to be a woodworking resource, the club is launching a two pronged plan.

1. If you have question or a problem, contact **Don Prince** for time on the meeting agenda.
2. The club is going start a program for older, more skilled members to mentor younger or less knowledgeable members. We will begin this plan by encouraging

current members to really reach out to the new members to find out what area of woodworking they are interested in and if they have all the tools or equipment to do the basics. Keeping notes of your contacts will help us to help them.

Block Painting

Joe Carillo says we need to provide **SIX** more members for block painting to provide for scheduling overlaps, **TWO** more for block sanding to provide for scheduling overlaps.

Joe is asking for 11-14 oz. tin or plastic coffee cans for the painting crew. Bring them to the August meeting.

Steering Committee

The Steering Committee meets on the Tuesday after the club regular meeting at the Whittier Senior Center at 13225 Walnut Ave. Starts at 7:00pm and is over at 8:00pm. The next meeting is Tuesday, August, 11th.

All members are invited to attend these meetings. The only requirement is paid membership.

On your Calendar

August 11th. Regular Meeting

August 16th. Steering Committee

September 8th. Regular Meeting

September 11th. Steering Committee

October 28-30th. Woodworking Show Orange County Fairgrounds

Thank You, Bill, Julie and Harold

Safe woodworking should be a PLAN, not be an Accident.
