### OUTSTANDING

**Andy Yoshida**, WOW's own Quiet Man has manufactured two four wheeled carts to move lumber and blocks at the Hathawy Ranch shop. Andy, We thank you!

### October Meeting

The October meeting will feature shop made jigs and fixture members use in their woodworking. Be prepared to answer some questions. What does it do? How did you make it? What materials did you use? And how would you improve it?

If you have jig or fixture, **some one** wants to see it.

Let's all take this opportunity to share your creativity.

### Club Show 'N Tell

Every one is encouraged to bring a project to share.

### WOW YARD SALE

8:00 am to 12:00 noon. Sat. Oct. 20. 9308 Gunn Ave.

Woodworking books, magazines, pamphlets and plans. Hundreds available. Power and hand tools. Some wood available. Free ¼ plate mirror glass for members. Can be cut to size.

### Steering Committee

The Steering Committee meets on the Tuesday following our regular club meeting at the Whittier Senior Center, 13225 Walnut Street in the Whittier Civic Center. The next meeting is October 16 at 7:00 pm and is over at 8:00 pm.

## Steering Committee Actions

**The November and December meeting programs have been planned.**

Wheel and axle assembly will be the focus of **Novembers** meeting. **Bring your own mallet.** Glue, wheels and axles are provided by member dues.

The **December** meeting is our annual **Christmas Pot Luck.** Great planning and exceptional participation of members and spouses made last years program a huge success and we hope for repeat or better.

It is suggested each member to make a door prize for himself, his guests and one extra for WOW guests. This will insure our wood suppliers and block painters will win a prize. At last years party every one in attendance went home with a prize and it made an excellent evening fabulous.

### **The Block Painters need some help!!**

**Hours are 12:45 pm to 1:00 pm and again at 2:45 pm to 3:00 pm**

**Wednesdays.** They still need **two individuals** to roll the block carts from stage craft storage to the Senior Center craft room and back.

**Time between can be used to play cards, shoot pool, play dominoes or visit the library, etc.** Please help, this is important.

### **Swap Table**

A table will be available for selling personal tools or other woodworking items. Owner will need to tag the items with his name and price. Please do not interrupt the meeting while buying and selling. Transactions should be limited to pre-opening, break and after closing.

#### **Coffee Cups and Club Shirts**

Coffee cups are \$5:00 each and club shirts XL are \$20.00
