MEETING NOTES

The February Meeting will be on the 12th 6:30 pm at Adventure Park, 10130 Gunn Ave. Our guest will be **Mr. Shad Anderson** of **Anderson Saw Company**. Anderson Saw Co. sells and sharpens all woodworking cutting edges.

I made a scheduling error and reported he would be the January guest.

CLUB SHOW 'N TELL

Everyone is encouraged to bring a project for show and tell. It isn't bragging if it is fact. Our January Show and Tell was a huge success. Congratulations to all the participants.

ANNOUNCEMENTS

Mike Scott has been appointed Membership Chairman by action of the steering committee to complete **Shirley Fuentes'** term of office. Shirley's schedule and ill health prompted her resignation.

A **membership application** has been included in this month's *Pushstick*. All **members** must complete and return the application in order to continue receiving the pushstick by mail. All **dues** must be current. Anyone who has paid their 2006 dues should mark **dues paid** on the application.

Those club **members** who are on email subscription will also be required to complete the application. Please contact **John Rodgers** or **Mike Scott** for your application.

Any one with a computer and internet connection may read the current and past editions by accessing our web site, www.woodworkersofwhittier.org

Members who have items on exhibit at Whittier Museum may pick them up beginning Jan. 31 2006 during normal business hours from 9.00 am to 2.00 pm Tues. thru Fri.

Steering Committee Actions

After some discussion **Mike Scott** was asked and volunteered to accept the position of Membership Chairman to complete the term of office currently held by **Shirley Fuentes**. The Woodworkers Of Whittier offer their collective thanks and appreciation for her hard work as Membership Chairwoman and supervising the Christmas Party decorations. **Thank you, Shirley and best wishes in all your future plans and endeavors.**

Ron Anderson and **John Rodgers** met at Banco Popular to change the signatures on the WOW bank account. Because the account was opened as a personal account, the bank isn't permitted to change the names unless one of the signatories is deceased. The account type must be changed. This matter will be on the Steering Committee agenda of March 14, 2006. This is a major decision and the committee will need **your** input.

Ron Holtz is collecting the wood **Monte Koch** normally collects and has some green Apricot suitable for turning. His latest report states he will have Walnut and Cherry also.

Ron also made a suggestion that several club members are capable of exceptional demonstrations of their specialties, He specifically mentioned Ernie Dovidio's fly rod making demo. Ron offered to show pen making. The Steering Committee agreed there were several members able to be the guest speaker for the monthly meeting. Any club member who wishes to demonstrate a woodworking tool, technique, safety, shop made jigs or fixtures should contact **John Rodgers**. This is one of the committee's prime functions and your help is necessary.

The **Senior Center** is asking for a few toys to exhibit in the lobby. Contact **Ruri (Peanuts) Pierre**, 562) 464-3365 for more information and participation.

Jay Anderson will be selling some of his models currently on display in Our *Favorite Toys* at the Whittier Historical Society Museum **gift shop**. We have admired them at show and tell, now we can have one.

Steering Committee

We will need as **many members as possible** to attend this meeting. Our agenda will be to make a decision on the **club account**. We meet at Whittier Senior Center, 13225 Walnut Street in Uptown Whittier at 7:00 P.M. This is where all the discussion and planning for future meetings comes from and usually lasts less than an hour.

March meeting date is Mar. 9.

That's all folks. See you at the next meeting. **If you do not have an accident prevention plan, you do have an accident plan!**

Yours truly,
John Rodgers

Thank you Harold and Julie.

For sale

Makita miter saws. 1 for \$75.00 and 1 for \$100.00 with a new 12" blade. **Ron Holtz**, 562) 693-5762
