**Jim Lockwood will be demonstrating pen turning at our regular meeting May 10, 6:30 pm. at Adventure Park.**

#### Show and Tell

Show off a little bit and help your fellow club members by sharing special techniques or tools that were used.

Show and tell participants receive a **free** raffle ticket.

Club dues are payable at the May meeting. Registration forms are available for new members and **Mike Scott** will accept membership renewals at this meeting.

Most local woodworking stores will extend a discount to club members when they present their membership card.

### **Swap Table**

A table will be available for selling personal tools or other woodworking items. Owner will need to tag the items with his name and price. Please do not interrupt the meeting while buying and selling. Transactions should be limited to pre-opening, break and after closing.

### **Club Shirts and Coffee Cups**

I will have club shirts to sell due to an error at the printer's shop and the wrong sizes were sent. Coffee cups are \$5:00 each.

### **The Block Painters need clean coffee cans**

Please bring empty coffee cans to the meeting. They are used to mix paint and clean brushes.

### **Steering Committee Actions**

A letter of thanks will be sent to Nelco company for its donation of lumber for our block project at the request of **John Erickson**.

**Ron Anderson** will write and send the letter.

It was reported that **Monte Koch** has demo scroll saw to loan. It would have to be returned at his request.

After much discussion, lots of confusion and smoke and a failed motion about pricing and ordering wheels and axels some order was restored. A motion was made, seconded, and passed that **Ron Anderson** purchases the wheels and axels for the toy cars and trucks.

**Barbara Lockwood** contacted the Whittier Uptown Association in an effort to publicize the club at the Uptown Festival about having an information booth. The only affair the Association sponsors is a hot rod street show. It was noted that club toy and model makers might be able to sell their wooden cars at this show. Toy makers would have to contact the Uptown Association on their own and would be permitted to distribute the club tri-fold bulletin.

### **Steering Committee**

The Steering Committee meets on the Tuesday following our regular club meeting at the Whittier Senior Center, 13225 Walnut Street in the Whittier Civic Center. The next meeting is May 15 at 7:00 pm and is over at 8:00 pm.
