Steering Committee Meeting Actions

Joe Carrillo has reported a shortage of 2" x material for the toy block project. If **anyone** has a supply of 2" x anything, please see Joe. Joe also told the Steering Committee he could purchase 2" x cutoffs from the Pomona Box Co. in La Habra for \$2.00 a box. The Steering Committee authorized \$40.00 expenditure for 20 boxes. The Steering Committee voted to reimburse Joe for gas expenditures while collecting wood.

Steering Committee

The Tuesday following the regular Thursday club meeting we meet at 13225 Walnut Street in Uptown Whittier at 7:00 P.M. This is where all the discussion and planning for future meetings comes from and usually lasts less than an hour. We welcome everyone and really do need your input and ideas.

CLUB SHOW 'N TELL

Everyone is encouraged to bring show and tell projects. This is an excellent opportunity to let everyone know what's been going on in your shop and give great tips and suggestions for their projects. It isn't bragging if it is fact.
