Trend Manor Cabinetry will present an overview of the custom cabinet trade.

Program planning for the rest of the year is set. October, *Harold Greene Furniture Craftsman*; November, *Wheels and Axles*; Axle holes need to be drilled with **7/32 bit. 1/4 bits** are too large.

December, *Christmas Pot Luck Party*.

Tentative planning is December 8th at Parnell Park Senior center.

Members Helping Members

One of the purposes and benefits of membership in WOW is Members Helping Members. **It is a feature that is not used as much as we could.** In an effort to be a woodworking resource, the club is launching a two pronged plan.

1. If you have a woodworking question or a problem, contact **Don Prince** for time on the meeting agenda.
2. The club is going start a program for older, more skilled members to mentor younger or less knowledgeable members. We will begin this plan by encouraging current members to really reach out to

the new members to find out what area of woodworking they are interested in and if they have all the tools or equipment to do the basics. Keeping notes of your contacts will help us to help them.

Block Painting

Joe Carillo says we need to provide **SIX** more members for block painting to provide for scheduling overlaps, **TWO** more for block sanding to provide for scheduling overlaps.

Joe is asking for 11-14 oz. tin or plastic coffee cans for the painting crew. Bring them to the September meeting.

Steering Committee

The Steering Committee meets on the Tuesday after the club regular meeting at the Whittier Senior Center at 13225 Walnut Ave. Starts at 7:00pm and is over at 8:00pm. The next meeting is Tuesday, 13th.

All members are invited to attend these meetings. The only requirement is paid membership.

The Steering Committee is looking at the possibility of obtaining a “not for profit social club” from the IRS. **Mike Scott** will contact the IRS discuss his findings at the September 13th. Steering Committee meeting.

Want to buy, sell, swap, help wanted, etc. Ads can be listed in the Pushstick. Deadline is the Friday before the next regular meeting.
