Paul Albert Sakalian WOW Member

Paul Albert Sakalian, age 55 born March 13, 1951, died May 21, 2006 following an extended illness. The WOW membership will miss his quite demeanor and excellent work. Paul was best known at WOW for his intarsia and scroll saw woodworking. He was also an accomplished turner.

The services were private and only family attended. The Woodworkers Of Whittier extend their club and individual condolences to Paul's family.

MEETING NOTES

The June Meeting will be on the 8th, 6:30 pm at Adventure Park, 10130 Gunn Avenue. The June meeting will feature our own **Ron Anderson** demonstrating jigs, fixtures and techniques on the drill press. The drill press is one of the woodworkers overlooked tools; to often it is just a hole maker but can be so much more. Let Ron show you how!

CLUB SHOW 'N TELL

Everyone is encouraged to bring a project for show and tell. It isn't bragging if it is fact. Be prepared to tell us the wood, finish and special techniques used in the construction

ANNOUNCEMENTS

Ron Holtz Park Shelves Project Leader and the Build Team, **Harlen Jeche**, **Hunter Smith**, **Ron Anderson** and **Ray Jolley** have completed the small shelves and have started on the large shelves. The project is to be completed by mid-June. Well done, gentlemen.

Open Shop will kick-off Saturday June 17, 10:00 am to 2:00 pm. **John Rodgers** will host the Open Shop at 15102 Starbuck St. Whittier. Fellowship, water and rest room privileges will be available. Demonstration plans will depend on client projects and may include **scroll-sawing** tole painting blanks, **template routing** box joints or dovetail joints or **edge joining** hard wood to ply wood.

The second Open Shop is July 22. Watch your *Pushstick* for further details.

Ron Anderson has tentatively scheduled himself, depending on family considerations.

Open Shop is a club activity to encourage club members to share their **skills, techniques and knowledge** with other club members. It is hoped this will become a permanent activity and an addition to our **Show and Tell**.

Steering Committee Actions

In response to the clubs action to be a resource for Eagle Scout Candidates, **John Rodgers** contacted the Rio Hondo District Advancement Chairman asking to be included in their list of resources.

John also offered to demonstrate woodworking for the District Round Table as an introduction.

Associate Memberships. After some lively discussion, **Ron Holtz** moved that minor children, grandchildren or wards of members be offered an associate membership at no charge. Spouses will continue to participate as regular members. Seconded by **John Erickson** the motion was passed.

Steering Committee

The Steering Committee meets on the Tuesday following our regular club meeting at the Whittier Senior Center, 13225 Walnut Street in the Whittier Civic Center. The next meeting is **May 16** at 7:00 pm and is over at 8:00 pm.

All members are encouraged to take part in the **planning** and **business decisions** of the club.

July meeting date is July 13.

That is all, folks. See you at the next meeting.

Every one has a safety plan, the good news is YOU get to choose how good yours is

Yours truly,
John Rodgers
