MEETING NOTES

The September Meeting will be on the 14th, 6:30 pm at Adventure Park, 10130 Gunn Avenue. Our speaker, **Monte Koch** began painting with a professional painter at seven years old. A Registered Corrosion Engineer, his professional home was with Sherwin William's Corrosion and Coatings Division Sales. His duties included education and training of professional finishers and refinishers in commercial furniture and cabinet shops in the proper use of abrasives, sealers and finishes. Several of our WOW members requested that the club should take advantage of his expertise.

CLUB SHOW 'N TELL

Everyone is encouraged to bring a project for show and tell. It isn't bragging if it is fact. Be prepared to tell us the wood, finish and special techniques used in the construction.

ANNOUNCEMENTS

The Doll Cradle Construction is moving along nicely with several members involved with different phases.

The Steering Committee is accepting quotes for club shirts. Under discussion are tee shirts and golf

shirts, pocket or no pocket, club logo on the front, back or both and using silk screen or embroidery. **To help us make the best choices fill out the questionnaire at the bottom of the next page and bring it to the club or steering committee meeting.**

Andy Stanton, Raffle Operator presented \$100.00 from raffle proceeds to **Ronald Anderson**, Treasurer for deposit in the club account.

Adventure Park and the Boys and Girls Club backpack cubbies have been determined. Further planning is necessary and one or two project managers are needed.

. Visitors are requested to bring **safety glasses and hearing protection**.

Hathaway Ranch Museum, 11901 Florence Ave. Santa Fe Springs is the site of the club's sanding workshop on Mondays at 9:00 am to 12:00 noon and additional volunteers are needed. This is a real easy way for members to take part in the Christmas Toy Project. Any club members with free time on Mondays are necessary and welcome. This activity may become a rotating teams project. **Please Note! If the gate is closed you must close it after entry!**

All members are reminded that toy making is the main focus of the club.
