MEETING NOTES

The June meeting is on the 14th, Adventure Park. 6:30pm to 8:00pm.

AUCTION

The program will be an auction of member's unwanted items. The club is not charging you for selling your items but would appreciate a gift equal to 10% of the selling price. If the seller wants to establish a reserve price on the item, a written note must be given to Rick Stifle, our club auctioneer, prior to start of the auction.

Several items have been given to the club and all proceeds go to the club. These items will be identified at the time they come up for auction.

Any purchase made must be paid in full to the seller in 10 days. It is at the seller's discretion if you can take possession of the item before you have paid. Bring Money.

ELECTIONS

It is that time of the year according to our new Bylaws to nominate and elect the five officers of our club. The five elected offices are President, Vice President, Secretary, Treasurer and Membership. **All office holders are elected for a ONE YEAR TERM only.** An officer may request a second term.

The nominating committee is presenting a full slate of officers for your consideration at the June meeting.

Nominations may be made from the floor before the election. Nominees must be present to accept the nomination and agree to serve if elected.

Show and Tell

All projects are appreciated. Bring an example of any project you wish to tell us about. Free raffle ticket for each presenter.

Whittier Founders Day Celebration

WOW WOW WOW. A great day for the **Woodworkers Of Whittier**. The members used the opportunity to show the Christmas toys for disadvantaged children, recruit new members and find more wood suppliers as we have done in the past. Members involved with this endeavor are, **Don Hall, Jim Lockwood, Don Prince** and **Dave Reid**.

Demonstrators **Raul Guerrero** and **John Okawa**, segmented turning; **Ray Mitchem**, Jacobs Ladder; **Harlen Jeche**, Intarsia; **John Rodgers**, Scroll saw and **Rick Stifle**, pen turning, were so busy they hardly got a break.

Don Hall, Ray Mitchem, John Rodgers, made Christmas toys and decorations to give away.

Steering Committee (SC) Actions

Woodworker Of The Year

The SC selected the Woodworker Of The Year from several solid candidates.

Jim Lockwood has the plaque and is making it ready and has contacted County Supervisor Don Knabe's office for the certificate. Presentation will take place when the plaque and certificate are complete.

A Club Historian **volunteer** is still needed to help with record keeping and distribution. This position of club historian will gather any information about WOW and give it to the Website Manager **Paula Eagleman** and other publications. Open to all who would **volunteer** for the position.

Bylaws

The SC has approved the Bylaws. **Dave Reid** produced a final draft reviewed at the April Steering Committee meeting. Final draft was approved by the SC following some minor rewording after reading the document. **Dave Reid** presented the final document and S.C. approved unanimously. Copies are available upon request and posted on our web site;

www.woodworkersofwhittier.org

Agendas for the Steering Committee meetings and regular meetings will be posted on the web site when **Paula** can manage every thing the steering committee and she would like to accomplish. Visit the web site to stay current with breaking news.

A photo gallery has been installed. Take a look at what's been done.

Members Helping Members

How much wood--- how much wood could **Jim Spangler** recover if you saw a construction site and called him?? Local area is Whittier, La Habra, Buena Park, La Mirada, Santa Fe Springs, Artesia, and Pico Rivera. 562) 943-3013.

WANT ADS

Want to buy, sell, swap wood working tools, etc. Ads can be listed in the Pushstick. Deadline is the Friday before the next regular meeting.

For Sale Mark V Shop Smith. Unknown age but well cared for. Includes Jointer, Scroll-jig saw, 4 jaw lathe chuck. Standard Table Saw, Drill Press, Horizontal Boring. May have lathe centers and drives, tool rest and Saw blade. In my opinion, the drill press is the best woodworking drill press on the market. **(562) 943-4339**
